

# Bachelor of Arts in Urban & Community Studies

## A Major that Changes Lives

The Urban and Community Studies (UCS) major at the University of Connecticut is a Bachelor of Arts degree program in the College of Liberal Arts and Sciences. The UCS major integrates the study of cities, suburbs, neighborhoods, and communities through core courses drawn from the fields of Anthropology, Economics, Geography, History, Political Science, Public Policy, Sociology and Urban Studies. It offers a solid foundation in analytical techniques, including quantitative and qualitative methods, survey research, geographic information systems and archival research.

### The UCS major provides students with...

- a comprehensive education on the forces that transform communities and urban areas
- a flexible and interdisciplinary curriculum
- opportunities for service learning and community-based internships
- a solid foundation for many rewarding careers
- first-rate preparation for graduate school

UCS is an interdisciplinary major for students who seek meaningful career opportunities in public service, human services, urban and social change, as well as many other rewarding fields. Our flexible curriculum offers students the ability to take courses within the major based on their own personal career or graduate school aspirations. The program offers emphasis areas in Criminal Justice and Law, Nonprofit and Public Management, Public Health, Public Policy and Social Service and Community Organizing as well as a Fast Track to the Master of Public Administration or coursework information for those interested in pursuing a Pre-Med concentration. Students are welcome also to personalize their degree plan based on their academic interests.
